

AdvancED Survey

For the 2016-17 school year, the DeKalb County School District will have a regular accreditation visit by AdvancED. One component is a feedback survey by various stakeholder groups. Please see below for the *unique web link* to your school's AdvancED/SACS PARENT and STUDENT feedback survey administered through the AdvancED eProve system. This web link is designed *specifically* for your school's parent stakeholder group and should not be shared with any other school. The survey window closes *9/30/2016*.

Each school must meet a participation threshold. AdvancED requires *40% students, and 20% parents to complete the stakeholder surveys*. Thank you, Elizabeth Andrews High School parents/ guardians and students, for taking the time to provide your valuable input for this important continuous improvement process.
