Policy Revised: 9/13/2023

What is Title I?

Elizabeth Andrews High School is identified as a Title I school as part of the “Every Student Succeeds Act” (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

What is the Parent and Family Engagement Policy?

This is a policy that describes how our school will provide opportunities to improve parent and family engagement that will support student learning at school and at home. Elizabeth Andrews High School values the contributions and involvement of parents and family members to establish an equal partnership for the common goal of improving student achievement. All students and their families are invited and encouraged to fully participate in the opportunities described in this policy. Our school will provide information and as many opportunities as possible for the participation of all parents and family members.

How is the policy developed and revised?

The policy is jointly developed with parents, school staff, students, and community members. It is reviewed and revised annually during the Title I Stakeholder Input Meetings. A draft of the updated policy is available for additional input during the document review period. All feedback forms from the Title I Stakeholder Input Meetings are submitted to the Title I Office for review. Opportunities are also available for all stakeholders to provide input into the Continuous School Improvement Plan (CSIP), School-Family Compact, building capacity of school staff, and the family engagement 1% set-aside budget.

Who is it for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. Elizabeth Andrews High School will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

Where is the policy available?

The policy is available online on our school’s Title I webpage located at <http://www.andrewshs.dekalb.k12.ga.us/> Paper copies are available upon request in the front office or Parent Center. Families new to our school will receive a copy during the registration process.
