

What is a School-Family Compact?

A School-Family Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective Compacts:

1. Link to goals of the school improvement plan.
2. Focus on student learning skills
3. Describe how teachers will help students develop those skills using high-quality instruction
4. Share strategies parents can use at home
5. Explain how teachers and parents will communicate about student progress
6. Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

Parents, students, teachers, and faculty members work together to develop our School-Family Compact. Each school year, at least two meetings are held for parents, teachers, and students to compare the compact with school data to review our progress and assess our goals.

Parents are welcome to provide feedback on the compact at any time during the school year. All feedback will be collected and reviewed during our Title I Stakeholder Input Meetings.

This compact is uniquely developed to meet the needs and goals of our school and students.
